

# PECB Certified ISO 50001 Foundation

## Why should attend?

ISO 50001 Foundation training enables you to learn the basic elements to implement and manage an Energy Management System (EnMS) as specified in ISO 50001. During this training course, you will be able to understand the different modules of an EnMS, including EnMS policy, procedures, performance measurements, management commitment, internal audit, management review and continual improvement.

After completing this course, you can sit for the exam and apply for a “PECB Certified ISO 50001 Foundation” credential. A PECB Foundation Certificate shows that you have understood the fundamental methodologies, requirements, framework and management approach.

## Who should attend?

- Individuals involved in Energy Management
- Individuals seeking to gain knowledge about the main processes of Energy Management Systems (EnMS)
- Individuals interested to pursue a career in Energy Management

## Learning objectives

- Understand the elements and operations of an Energy Management System and its principal processes
- Acknowledge the correlation between ISO 50001 and other standards and regulatory frameworks
- Understand the approaches, methods and techniques used for the implementation and management of an EnMS

## Educational approach

- Lecture sessions are illustrated with practical questions and examples
- Practical exercises include examples and discussions
- Practice tests are similar to the Certification Exam

## Course Agenda

**Day 1:** Introduction to Energy Management System (EnMS) concepts as required by ISO 50001

**Day 2:** Energy Management System (EnMS) requirements and Certification Exam

## **Examination**

The "PECB Certified ISO 50001 Foundation" exam fully meets the requirements of the PECB Examination and Certification Programme (ECP). The exam covers the following competency domains:

**Domain 1:** Fundamental principles and concepts of an Energy Management System (EnMS)

**Domain 2:** Energy Management System (EnMS)

**Price:** 3.800 Kn + VAT
